Chapter Meeting

Economic Update

Presented by:

Dwight Johnston

Vice President, Economic & Market Research
WesCorp

Please join us for an update of the economy
by a Credit Union Economist

About the speaker:

Dwight Johnston serves as WesCorp's economic forecaster and market analyst, providing daily and long-term commentary on the U.S. economy and interest rates. He also oversees WesCorp's extensive educational commitments, including online ALM training, seminars, web casts, and investment publications. Before his current position, he was managing principal for WesCorp Investment Services LLC, the broker/dealer subsidiary of WesCorp, responsible for the management of trading, sales and underwriting of securities for WesCorp Investment Services.
